Geography	22 November	23 November
Afrikaans	23 November	24 November
Natural Sciences	19 November	22 November
Life skills	18 November	19 November
Mathematics	24 November	25 November

A few suggestions to bear in mind when preparing for exams or tests :

- No late nights [preferably in bed by 20h30 (Grades 4&5) and 21h30 (Grades 6&7) – for study purposes].
- Studying should take place in a quiet place. Television and music should be switched off.
- S/he should sit at a comfortable table or desk when studying – not on the bed.
- S/he should study for 20 minutes at a time with a break of 5–10 minutes between each session – longer study sessions for older children. Draw up a study time-table for your child – allocate more time to weaker subjects.
- It is better to spend a short period of time each day revising well before the time, rather than cramming all the work in the night before.
- Your child needs to be fetched/go home as soon as school ends each day in order to go home and prepare for the following days exams.
- Please ensure that your child has a healthy breakfast each morning so that s/he is alert.
- Please check that your child has all the necessary stationery for exams or tests, as no borrowing will be allowed – 2 blue pens, 2 sharpened pencils, ruler, eraser, and any other special equipment required for specific subjects eg. Maths set or coloured pencils, etc. – children to please check with relevant teachers.
- Please check exam time table carefully to avoid unnecessary errors.
- Please support and assist your child in preparing for their tests or exams – test your children yourself by setting your own questions/tests that your child could answer under a set time limit. Spelling is extremely important in all exams – please emphasize this to your child.
- Please note that normal school rules apply during and after the exams. Pupils caught cheating during an exam will be given a zero for that subject and could be suspended for future exams. Cellphones are NOT ALLOWED at school and will be confiscated if discovered.
