*From the Principal's Desk*

Please note that school will close next Friday for Term 3. There will be no Parents' Evening due to covid-19 safety protocols. Term 3 reports will be issued to learners on their last day of the term ie. on Thursday, 22 October and Friday, 23 October.

School will re-open on Monday, 2 November. Please note that we will be starting the new term afresh with ***Class 1 attending school on the first day.***

Please note as well that Archibald Avenue is to be treated as a one-way street from east to west at peak times (from 07h00 to 08h00 and from 13h00 to 15h00). The orange cones are placed there to facilitate the easy flow of traffic in one direction. This is done purely for the safety of our children and the traffic congestion. We are appealing to all parents to please co-operate with the school as far as this is concerned.

***Parents***, we are also appealing to all road users to follow the road rules to avoid traffic congestion at the scholar patrol crossing. There are some taxi drivers/motorists who are inconsiderate and stop directly at the scholar patrol crossing or alongside the pavement for learners to be dropped off. This is NOT allowed as it is extremely dangerous for passing motorists. ***Parents, please be patient and considerate!*** There are also transport companies/parents stopping directly in front of our car park driveways (front & back of the school) to offload their children, then opening the car boot so their children can retrieve their school bags. Furthermore, there are certain transport companies/parents who park horizontally – taking up 2 or 3 parking bays – this is selfish and shows complete disregard for fellow road users! This is inconsiderate and causes huge traffic congestion as well. Please refrain from this – there are ample parking bays that should be utilized individually. Furthermore, please avoid parking close to the red painted dots along the fence – this is meant for learners to stand on for social distancing. ***Please be notified that offenders' vehicle registrations numbers and vehicle descriptions will be recorded and forwarded to the JMPD! This is in accordance with instructions received from the JMPD!***

Thank you for your support and co-operation.

L. Kistadoo  
Principal

## *Reminders*

- Please download the School Communicator onto your PC, laptop or mobile phone for school info and news [www.school-communicator.com](http://www.school-communicator.com)
- Our banking details are: **NEDBANK BOOYSENS 198005 A/C # 1980316023.**
- **No cell phones, tablets or any other electronic devices are allowed at school** – If you are caught with these items, it will be confiscated and a penalty fee of R200.00 will be charged to get it back.
- **Left behind** - We are appealing to parents not to deliver items that your child has left behind or the parent has gone early morning shopping to bring to the learner – food; money; projects; sports kit; clothes; house keys; etc. What is left behind stays behind! Parents, children will never learn responsibility if you keep running after them. Please instill in them the habit of packing their bags and getting ready for school the night before! This also disrupts classes and lessons when children are constantly called up to the office.
- **Lost and found** - Parents, please insert a clear label with your child's name, surname & grade on all your child's uniform items (this applies to all learners in Grade R–7). We have a large number of uniform items in the Lost & Found container *without* labels, and we find that learners (and sometimes even parents) claim uniform items that do not even belong to them. Please note that all lost uniform items without labels will be washed and sent to our uniform shop for resale.
