From the Principal’s Desk

Our **Grade 7 Market Day** will take place on 1 September 2017. This is the culmination of their business/entrepreneurship project for EMS. The Grade 7’s will be selling various types of goods and food on that day. The whole school will be given an opportunity to purchase and support the grade 7’s in their mini businesses! So please encourage your children to save their pocket money for this day.

We are receiving numerous requests from parents for a second academic term report for their child to be re-done as they had lost or misplaced the first original report. Parents, please note that this is time consuming for the marks to be re-exported and the reports to be re-printed and then educators comments to be re-done with all the required signatures. Please take note that a cost of R50 will be charged for a second original report, and a cost of R25 for a copied report.

Thank you for your support and co-operation.

L. Kistadoo
Principal
